### New Book Provides Blueprint for Success

North Canton, Ohio, April 8, 2008 - “*Achieving Unlimited Success*,” by Dennis A. Kelley is written for individuals looking for more success and happiness in their lives and business. The author asks, “What’s holding you back from the life and career you’ve always wanted? What’s stopping you from turning your business into the success you dreamed it would be when you started it?” Most people allow their environment and /or beliefs to hold them back. They do not have a clear plan for their life and haven’t thought about what success really means to them. Without these goals in mind, they will never arrive at the life they have been working so hard for.

Readers will discover how to define success in their own terms, and create and act on a simple plan for achieving their goals and will be guided toward life-long success practices.

“If you are relying on fate or chance to get you where you want to go, it’s time to change your thinking and take control,” Kelley states.

The book provides a step-by-step guide to taking control of success and happiness. Concise and to-the-point, *Achieving Unlimited Success*, uncovers the most common self-limiting beliefs and what to do about them. Kelley goes beyond positive thinking platitudes and lays-out practical solutions to overcome the barriers that keep us from achieving more.

The author recommends life-long learning, and the value of mentoring relationships through out every stage of life. He sheds light on the fears of facing change and how to maintain a positive mind set and momentum. By showcasing how others have reached significant success and happiness by mastering these same principals, he inspires his readers to take action.

“Dennis is a proven leader who has shared his insights for professional and personal excellence in this exciting book. It is a ‘must read’ for anyone who have ever tackled the dilemma of how to combine higher levels of achievement with extraordinary personal life satisfaction.,” states Lauren H. Jackson, Ph.D. of Kelley’s work.

Kelley is a certified ActionCoach business coach and founder of The D. Kelley Group, an organization that offers professional coaching, motivational and keynote speaking services, and achievement seminars. He offers substantial executive experience in the financial services industry, having held positions that include Regional President and Senior Vice President of Charter One Bank in Canton and Cleveland respectively. He maintains his active commitment in the community as a graduate of Leadership Stark County and has served as past Chairman of the Stark County American Heart Association Heart Walk.

Kelley holds a master’s degree in Business Administration from Webster University in Missouri, a bachelor’s degree from Franklin University and a degree from the Consumer Bankers Association Graduate School of Banking in Virginia.

Kelley and his wife Nancy have been married for 27 years, reside in North Canton and have three children.

Kelley is hosting a Press Conference and Book Signing Event, April 17, 2008 at the Massillon Museum, 121 Lincoln Way East, Massillon, Ohio. Join us anytime from 5:30pm – 8:00 pm. with a brief presentation at 6:00. Please plan to attend and celebrate with the author and Hannan & Associates a financial advisory practice of Ameriprise Financial Services, the event sponsor.
